Master of Science (MSc)

International Project Management

ESCP
BUSINESS SCHOOL

IT ALL STARTS HERE

BERLIN | LONDON | MADRID | PARIS | TURIN | WARSAW

Objectives

This specialisation prepares students to manage international projects and businesses, with a focus on emerging countries. During the first part of the programme, students take classes in the fundamentals of business strategy, project management, business performance management, marketing, corporate finance, communication and leadership. The second part of the specialisation allows for students to focus on their advanced courses and electives in project management, international supply chain, international contract negotiations, digital and business transformation projects.

The Degree

This specialisation is part of the ESCP Master of Science (MSc) programme. Students will obtain the French Master degree (DEAMIE) and 1 diploma, the MSc in International Project Management

Academic Calendar

July 2025 — Oct 2025 — April 2026 — Dec. 2026

Term 1

Core Courses*
Online Classes
**For candidates whose previous degree confers fewer than 240 ECTS.*

Terms 2 & 3

- **Classes on the Paris Campus**
- **International Seminar**

Term 4

- **Company placement**
- **Master Thesis**

Career opportunities

Graduates work in positions such as:

- Marketing
- Business Development
- Business Analyst
- Consultant
- Key Account Manager
- Junior Project Manager
- International Contract Manager

International **Seminar**

The International Seminar - mixing lectures with company visits and meetings with leading experts - enables students to meet a number of leading economic players, academic institutions and research centres, consultants and international organisations. This 3-week seminar takes place in two emerging countries.

Master **thesis**

The Master thesis is an applied research project within an academic framework, written under the supervision of a Research Director. Students must structure and articulate their thoughts by exploring a business issue using sound and precise arguments.
Students defend their Master thesis in front of a jury of experts and professionals.

A mandatory research seminar, taught by an ESCP Professor, provides students with the tools and methodology needed to successfully write and support the thesis.

Company **Placement**

Over a minimum of 4 months, the internship period aims to put learning outcomes into practice and to provide precise solutions to operational or strategic projects within companies. Exposure to professional life prepares students for a full-time job after graduation from the MSc in International Project Management. Many companies perceive the internship as a period of observation before recruitment.

Examples of internships:
Junior Project Manager, International Project Officer, Business Process Analyst, Junior Project Financing, International Business Analyst, Junior Consultant, etc.

Job **survey**

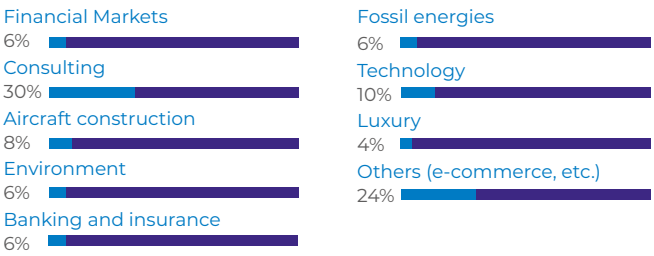
Class of 2022

Less than 3 months after graduation

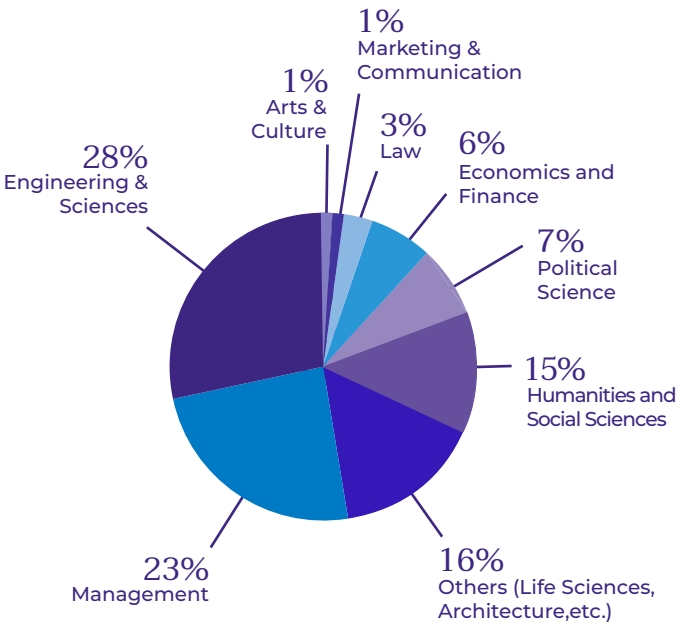
90% of Graduates in full time employment

100% Work in an international environment

Salary €48,000 average annual salary



2024 **Class Profile**



65% women

35% men

62% international students

Academic **Director**

Philippe Zarlowski
Professor
Management control department ESCP Business School

Research areas:
Strategic control systems, organisational performance and international corporate governance. His more recent research interests are focused on the role of performance measurement, accountability systems, and managerial technologies in policy implementation, performance improvement and organisational transformation, notably in the field of health care.

How **to apply**

1. **ONLINE APPLICATION**
2. **TOEFL, TOEIC OR IELTS SCORE**
